

# Countering Workplace Bullying

Sally Jetson & Associates

**Off-the-Shelf,  
Fully designed and  
Ready-To-Run  
Package:**

**\$1,195.00 inc GST**

## About The Training Package:

This training package is a powerful tool designed to raise awareness of workplace bullying and fear-based workplace conduct. You will learn how to identify bullying and explore characteristics of work environments and leadership that reduce the likelihood of bullying occurring.

The package is 2009 up-to-date and is suitable for Australian and international environments.

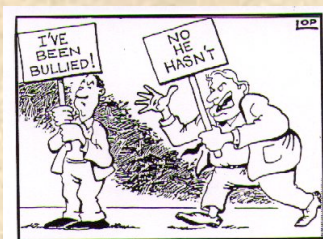

Contains information from the "International Workplace Bullying Conference"

**Delivery Time:** 1.5-2 hours, with guidelines for 'minimum' delivery and 'comprehensive' delivery.

**Topics include:** definitions, examples (most obvious and less obvious examples); types of bullies and motivation; strategies to prevent, identify and deal with bullying; strategies that can be effective and strategies that fail; factors that contribute to a culture of bullying and interventions designed to influence change.

Comments on current OSH, EEO and industrial frameworks and provides user-friendly summaries of relevant cases.

**Teach others how to  
recognise bullying  
understand it,  
deal with it,  
and prevent it.**

## Your Package Contains:

- a plan of how you might deliver the topic
- comprehensive background and support material
- speakers notes to guide you through the presentation
- workplace bullying quiz
- facilitator's checklist covering everything you need before presenting
- attendance sheet template

**Our training kits reflect twenty  
years of practitioner know-how.**

**The materials and the messages are  
sharp, practical and to-the-point**
